Features and Benefits of the PestWest Quantum lamps

- **100% Lead free lamps for a safer environment**
- **Comes in standard and shatter resistant for safe use in the food industry**
- **The shatter resistant material that is used is guaranteed to not flake, melt, discolor, or drip to keep the consistently high quality of the lamps intact**
- **The UV output of PestWest Quantum lamps is greater with more UV being irradiated after 4,000 hours of use than the BL350's, for increased life span and efficiency of your systems**
- **PestWest offers a wide range of lamps including the new ultra T5 lamps which when compared to the T8 and T12 lamps could save you up to 40% on your systems electrical bill**
- **PestWest offers a wide range of lamps, if you don't see anything from here, please give us a call at 866 476 7378.**
