# THE NEW LED RANGE

## Chameleon® QUALIS X

Qualis X and Qualis X IP are the perfect all rounders. Robust and stylish, these units are designed to work perfectly in both public and behind the scenes areas.

## Chameleon® SIRIUS X

With its elegant minimalist design, Sirius X is especially good for front of house installations. Its clean curves will fit seamlessly into any restaurant, cafe or hotel environment.

## Chameleon® EXG X

An industrial ATEX certified unit, designed for harsh environments where water, dust and gasses are present. EXG X is the must have choice in the food, pharmaceutical and petrochemical industries.

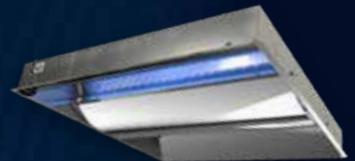

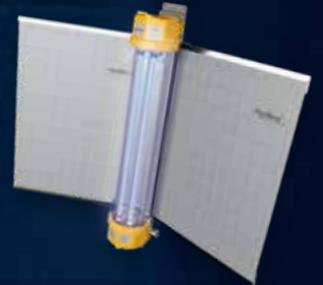

## ON-TOP PRO2 X

A discreet ceiling mounted unit for public areas. Easily installed in suspended ceilings, On-Top Pro2 X delivers passive fly control exactly where you need it.

## Chameleon® STELLARIS X

A unique\* double-sided LED UV fly control unit for large, open industrial areas.
